FILE NO. 12-81-7 Returned unsigned RESOLUTION NO. 290-81

SUPPORTING ACA22 AND ITS INTENDED ELIMINATION OF THE INEQUITIES IN CALIFORNIA'S CURRENT PROPERTY TAX ASSESSMENT SYSTEM

WHEREAS, The passage of Proposition 13 resulted in an unequal distribution of the property tax burden as regards longer held and more recently acquired residential property with new homeowners unfairly being forced to shoulder a larger share; and

WHEREAS, The tax assessment mechanism adopted under Proposition 13 applies the same tax rate limitations to residential or agricultural property and that utilized for commercial and income producing purposes thereby ignoring the differences in the ability-to-pay that exists between the two types of owners which has, in turn, resulted in further inequities and in a loss of substantial state revenues; and

WHEREAS, ACA22, introduced by Assemblymen Thomas Hannigan and Gary Hart seeks to remedy these inequities and flaws of our current property tax assessment system by 1) returning the base year for determining "full cash value" to 1975-76 for both newly acquired and longer held residential property; and 2) splitting the tax rolls so as to allow for the separate tax treatment of commercial and residential property; and

WHEREAS, It is projected that the adoption of ACA22 would generate an additional $750 million in new state revenues in the first year; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby support ACA22 and its intended elimination of inequities present in our current property tax assessment system; and be it

Dear Ladies and Gentlemen:

I am returning File #7-80-21 without my signature.

While I share your concern that the residents and employees of the shipyard receive adequate MUNI service I understand that the #42 Sansome bus line is the least cost effective route we have, costing approximately $5 per passenger ride.

I will forward your resolution to the Public Utilities Commission and urge that they continue their negotiations with the shipyard owners to work out a suitable alternate route.

Sincerely,

URGING CONGRESS TO RESCIND THE MORATORIUM ON LAND ACQUISITION ESTABLISHED BY THE SECRETARY OF THE INTERIOR

WHEREAS, The Land and Water Conservation Fund was established in 1965 to invest some of the proceeds of off shore oil leases in the preservation of other natural resources; and

WHEREAS, The need for the purchase and preservation of public lands and waters is even greater today than it was in 1965; and

WHEREAS, Congress has established national parks and drawn the boundaries for these parks with the intention that they would be acquired with funds from the Land and Water Conservation Fund; and

WHEREAS, Such lands authorized for acquisition include 2,800 acres of Golden Gate National Recreation Area and 3,208 acres of Point Reyes National Seashore, areas heavily used for recreation purposes by San Francisco residents; and

5/1/81 ah WHEREAS, A moratorium on such funding leaves landowners uncertain, and destroys the value of investments already made in public land which investments would be injured by haphazard development on adjacent land; and

WHEREAS, Land costs are escalating rapidly so that to delay acquisition will only increase costs greatly in the future; and

WHEREAS, It is important for government at all levels to follow through on commitments made and to maintain the confidence of the People in their government; now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors hereby urges Congress to rescind the moratorium on land acquisition established by the Secretary of the Interior, and to continue to fund authorized land acquisitions for parks, especially in Marin and San Francisco Counties; and, be it

URGING THE SAN FRANCISCO STATE LEGISLATIVE DELEGATION AND THE LEGISLATURE TO ACT IN THE BEST INTERESTS OF THE CITY AND COUNTY OF SAN FRANCISCO IN THE ENACTMENT OF LEGISLATION TO MODIFY STATE SUPPORT OF LOCAL GOVERNMENT AND BALANCING OF THE 1981-82 STATE BUDGET.

WHEREAS, The passage of Proposition 13 by the voters of the State of California resulted in substantial loss of funding for the public services of the City and County of San Francisco; and

WHEREAS, The State Legislature responded to such loss by the enactment of a long-term financing program in AB 8; and

WHEREAS, The proposed State budget is not in balance and the Governor has proposed a budget balancing scheme in SB 111 and AB 251; and

WHEREAS, The Governor's proposal would result in a loss of revenue to the City and County of San Francisco of approximately $47.5 million; and

WHEREAS, Senator Milton Marks has introduced legislation which would result in a loss to the City and County of San Francisco of $6.45 million in order to balance the State budget, a bill which, while not containing full remittance to counties, including San Francisco, of all money remitted to them by the State for fiscal year 1980-81, is preferable to SB 111 or AB 251; and

WHEREAS, A State program of aid and assistance is required for the 1981-82 fiscal year in order to preserve necessary public services; and

WHEREAS, Such fiscal program should be enacted at the earliest possible date in order to avoid the disruption of public services; and

WHEREAS, Such legislation should be consistent with the following principles:

(1) The AB 8 deflator should be repealed as an inappropriate method for spreading a loss in State funds to local governments;

(2) The proceeds from the unsecured roll taxation as recently made available by a California Supreme Court decision should be made available to local governments;

(3) The property tax base should be kept intact and the State budget should not be balanced by transferring property tax between various local government jurisdictions;

(4) The State and local agencies should be treated equal in the apportionment of any shortfall and all State programs should be critically reviewed to determine if reductions can be made;

(5) A detailed examination should be made of tidelands oil revenues to determine if these funds could be used to balance the State budget;

(6) Any reductions in State funding must recognize the potential cost increases facing local government programs, potential revenues available to local government, and the existing tax efforts of local government;

(7) Across-the-board restrictions in cost-of-living adjustment factors are not acceptable without a recognition of program differences; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco strongly opposes SB 111 and AB 251 unless amended in accordance with the above principles; and, be it

FURTHER RESOLVED, That the Board of Supervisors of the City and County of San Francisco endorses the passage of SB 102; and, be it

FURTHER RESOLVED, That a copy of this resolution be furnished to her Honor, the Mayor, for transmission to the State Legislative Advocate for presentation by the latter to members

WHEREAS, Many of San Francisco's mentally disabled are placed in locked nursing facilities located outside the county; and

WHEREAS, In the last year there has been a loss of more than 400 beds in San Francisco in board-and-care homes where mentally disabled residents are served in a less restrictive manner; and

WHEREAS, This loss of board-and-care beds has increased the pressure on county employees to place mentally disabled clients in more restrictive settings out-of-county; and

WHEREAS, State and federal laws require that the mentally disabled be served in the least restrictive setting; and

WHEREAS, Senate Bill 951 has authorized a rate increase to Board and Care Home Operators' mentally disabled residents (in board-and-care homes) and has mandated the expansion of the board-and-care system throughout the State of California; and

WHEREAS, Senate Bill 951 was introduced by Senator Petris, passed by the legislature, and signed by the Governor in 1979; and

WHEREAS, Dr. Alan Loeb, the Director of the Department of Mental Health, has presented a draft proposal for implementation of that bill to the Department of Finance for inclusion in this year's state budget; and

WHEREAS, The draft proposal would require board-and-care homes to come under the administrative control of local mental health directors; and

WHEREAS, The draft proposal would grant a rate increase for the categories of mentally disabled clients presently served and an even greater rate increase for the more difficult to place category of mentally disabled clients who are not presently served in board-and-care homes; and

WHEREAS, The draft proposal would require board-and-care operators to provide training in independent living skills to mentally disabled clients; and

WHEREAS, The draft proposal would require special training of staff of board-and-care homes which serve the mentally disabled; and

WHEREAS, It presently costs the state $42.00 per day per person for those mentally disabled San Francisco residents who are housed in restrictive settings out-of-county and the draft proposal would establish a cost of $20.00 or $24.00 per day per person; now therefore, be it

RESOLVED, That this Board of Supervisors of the City and County of San Francisco supports implementation of Senate Bill 951 of 1979 and urges Edmund Brown, Jr., Governor of the State of California, to include in this year's budget the cost of implementation of this bill as proposed; and, be it

FURTHER RESOLVED, That copies of this resolution be furnished to her Honor, the Mayor, for transmission to the State Legislative Advocate for presentation by the latter to the members of the San Francisco delegation in the State Legislature, with the request that all necessary action be taken to ensure the enactment of the above-described legislation.
